CAMPER AGREEMENT:

To ensure your camping holiday with us is a safe and memorable experience, we would like you to understand before arrival some of the expectations of living in a camping community.

Part of camping is experiencing new adventures; campers are strongly encouraged to participate in all activities.

To ensure a safe environment for both campers and staff, Cigarettes, Drugs and Alcohol are prohibited and campers are required not to leave the camp property without permission.

A happy and healthy environment is one in which people respect each other, the grounds, building and all camp equipment and where the common curtesy of good manners is encouraged.

To alleviate the problems of loss, theft and damage, we prohibit Pocket Knives, Mobile Phone, CD player, MP3 Player, and Radio, Game boy or anything similar to camp. Tunnel Ridge Ranch also operates a snack bar bank, so that all money is kept in the ranches safe.

Due to workplace health and safety regulations etc, it is necessary that Hats, Sunscreen and Shoes (*not thongs*), be worn at all times on the property and that failure to bring required clothing for activities would result in sitting out of the activity.

For personal privacy campers are not permitted to enter bunkrooms or tents that are not allocated to them.

All communities need instruction, rules and consequences when not complied with. Appropriate behaviour requires listening to and obeying all rules and instructions that are given at camp. Unfortunately we have had to introduce our '3 Strikes - Behaviour Policy' which means that after 3 warnings, we reserve the right to call parents to come and pick their child up from camp.

I _____ have read and agree to these camp requirements and understand that inappropriate and disobedient behaviour can lead to dismissal from camp.
